

Technical Data Sheet

Heat Exchanger Model

Part Number

Komfort Defroster

EXX-D16-200

Product Design

Plastic Housing with aluminum finned Heater core and 12 Volt DC motor with dual-blowers

Product Performance

Heat Output, estimated* (BTU/hr)

38,000 BTU (high) 32,000 BTU (Med) 26,000 BTU (low)

Fan Airflow (CFM)

320 (high)

Fan Speed (RPM)

3,900 (high) 3,100 (medium) 2,300 (low)

Noise Level (dB)

77 (high)

Dimensions (inch):

Height

13.5

Width

16.00

Depth

5.5

Electric Specifications:

Operating Voltage (VDC)

12v

Power Consumption (Watts)

157

Plumbing Specifications:

Heater Hose I.D. required (inch)

0.75
